February 19, 2014

**Board Meeting:**

The next Board meeting will be in the clubhouse on Monday, April 21 at 9:30 AM. Owners are encouraged to attend.

**Social:**

The first two Game Days of the New Year were well attended and fun with a variety of games and winners. There will be two more this winter on March 9th and April 13th. If residents are around and want to play board games, cards or dominos, meet us all at the club house at 2 pm on those Sundays.

The next social event will be a St. Patrick's Day celebration on Mar. 15th at 6 pm. It will feature typical Irish pub grub with main courses provided by the Social Committee members attending. Bring your favorite beverage and a side dish and limerick to share. There will be prizes.

**2013 Financials:**

Financial statements for 2013 are posted on our website – <http://www.covewsatwiltoncreek.org/>

**Replacement Reserve Study:**

The Finance Committee is beginning to put together a new Replacement Reserve Study, which is due to be issued in 2015. This is a comprehensive document to insure we have adequate reserve funding for replacement of common elements. New elements known to be added are outfall pipes for all three dams and sewer drain fields.

**Leyland Cypress Trees:**

Most owners have probably noticed that we have lost most of the Leyland cypress trees along the fence on the north side of our entrance. If you have any suggestions on possible replacement, please pass them on to the chairman of Building and Grounds Committee, Scott Campbell.

**Owner Roster:**

Please remember to keep the Secretary, Gil Paradies, informed of any changes in your address, phone number or e-mail address. The database is posted on the website in the password protected section.
