

Coves at Wilton Creek E-Bits

September 8, 2014

Next Board Meeting (2nd Change of Date):

The date for the next Board meeting to consider the budget for 2015 has been changed to Monday, September 29 at 9:30. As always, all Owners are welcome to attend.

Nominating Committee:

The Board has appointed a Nominating Committee, chaired by Steve Sohles to develop willing candidates to run for election to the Board at our Annual Meeting October 25th.

The terms of three current Board members expire this year, Godwin Jones, Gil Paradies and Steve Sohles. All have indicated that they do not plan to run for another term.

We need Owners who are willing to give back to the Community to volunteer and serve responsibly on our Board for a three-year term. New Board members are provided with an orientation and educational opportunities. The Board holds 7 regular meetings a year, including the Annual Meeting.

If you are willing to serve on the Board, or recommend someone who has agreed to be considered, please contact Steve Sohles 804-776-7513 or SSohles@VA.Metrocast.net.

As of September 8, not a single owner has offered to help.

Boat Ramp:

Owners are reminded that vehicles and trailers should not be left at or on the ramp while their boat is being used. Ample parking is available in the temporary parking lot next to the water system.

Boats should also be allowed to drain before leaving the ramp. This is to avoid oily, fishy residue being trailed down our streets. In addition, an owner recently reported having trouble getting his boat out because the fish oils contributed to the asphalt above the ramp being slick and preventing his 4-wheel drive vehicle from being able to move the trailer up the incline.

The message here is to be considerate of you neighbors!
